The screenshot displays a 'Multi-factor authentication' window. At the top, it says 'Multi-factor authentication' and 'Use an authenticator app for your doctor account.' Below this is a dark button labeled 'Set up MFA'. A horizontal line separates this from the 'Disable MFA' section. Under 'Disable MFA', there is a yellow input field containing seven asterisks. Below that is a text input field labeled 'Current authenticator code'. At the bottom of the form is a red button labeled 'Disable MFA'.
